Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Wednesday 04 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Unsettled next few days, windy with heavy rain at times.

Today:
After a fine bright start with light winds, cloud will increase through the morning as the breeze freshens. Showery rain spreading east through the afternoon, perhaps locally heavy or thundery. Maximum temperature 20 deg C (68 deg F).

Tonight:
Mostly cloudy and breezy overnight. Showers continuing at first though becoming isolated after midnight. Many parts dry with some clear spells by dawn. Strong winds along the south coast. Minimum temperature 14 deg C (57 deg F).

Friday:
Scattered showers continuing on Friday morning becoming more frequent, heavy and prolonged into the afternoon with an increasing risk of thunder. Windy, perhaps with gales near the south coast. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
Frequent heavy and thundery showers on Saturday, windy near the coast. Scattered and less heavy showers Sunday. Temperatures below normal. Less windy with isolated showers and sunny spells on Monday.
